Thank you notes. According to Emily Post Etiquette, a thank you note is not always necessary for gifts received in person, but a well-crafted, handwritten expression is always thoughtful.But even kids who have been writing thank yous since they could hold a crayon might not realize that it is also appropriate, and often advantageous, to send a note of gratitude after a job interview.

To protect against that, as we teach our kids to say " please " and " thank you, " we also need to teach them what ' s behind those words and how embracing an attitude of gratitude can help make them more mature and happier human beings.

An Attitude of Gratitude: Going Beyond Please and Thank You
beyond "please" and "thank you" Concerned with what it saw as a precipitous decline in empathy, Sesame Street Workshop commissioned a study, K is for Kind , to examine the issue. Among other things, the researchers found that both parents (70%) and teachers (86%) felt that "the world is an unkind place for children."
