applications.

~~CENELEC EN 50128~~

~~Railway applications~~

~~Communication ...~~

EN 50128 is a functional safety standard tailored for the particular demands of the rail industry. It's titled "Railway applications — Communication,

File Type PDF

En 50128

signaling, and processing systems — Software for railway control and protection systems”. Following the requirements of this standard is critical for railway software development.

~~What Is EN 50128?~~

Perforce

EN 50128 and 50657
(section 6.1.4.2) states

Page 17/35

File Type PDF

En 50128

that tools, hardware or software, used for testing shall be shown to be suitable for the purpose. Cantata testing tool has been classified and certified by SGS-TÜV GmbH, an independent third party certification body for functional safety, accredited by Deutsche Akkreditierungsstelle GmbH (DAkkS).
