But deep inside, her passion was flying, a desire sparked from she was five years old. She also knew the day would come when she would fly a jumbo 747. " After a year in college, I decided to take some time off and I joined Air Jamaica as a flight attendant in 1974. By then airlines worldwide were hiring women airline pilots. " she told The ...

High-flying pioneer rests her wings | Lead Stories---

After reading the autobiography of Chuck Yeager, I was impressed not only by his exploits, but by those of a lifelong friend and female pilot. Appearing on the list, she was a true pioneer and adventurer in a time when women were not welcome in a male dominated field. Spanning almost a century, these women should be remembered for their determination, as well as their skill as aviators.

Top-10 Pioneering Women of Aviation—Listverse

Katherine Stinson (February 14, 1891 – July 6, 1977) was an aviation pioneer who in 1912 became the fourth woman in the United States to earn the FAI pilot certificate. She set flying records for aerobatic maneuvers, distance, and endurance. She was the first female pilot employed by the US Postal Service, and the first civilian pilot to fly the mail in Canada.
