The Irish Fiddle Book (Onbekende bindwijze). (Music Sales America). This book explains and shows in detail the various techniques used by fiddle players...

**bol.com | The Irish Fiddle Book**

This book was recommended to me by my teacher at my Irish Fiddle School. I also have the Mel Bay book and feel that the two books complement each other and have little overlap. I wish it were a spiral bound book since it is hard to keep it open on my stand, but that's my only complaint. It's very thorough and the CD is great.

**bol.com | Learn to Play Irish Fiddle (ebook), Philip John ...**

The fiddle has ancient roots in Ireland, the first report of bowed instruments similar to the violin being in the Book of Leinster (ca. 1160). The modern violin was ubiquitous in Ireland by the early 1700s.

**Irish fiddle - Wikipedia**

All in all, this is a book written by an experienced fiddle teacher who leads you in easy and logical steps through the stages of learning traditional Irish fiddle. Even if you're already a violinist with classical training, ignore the first chapter and this will still be a valuable book because, as any fiddler will tell you, there's a lot more to traditional music than just reading the notes.

**Irish Fiddle - fiddling around**

Has anyone got the Irish Fiddle Tutor book and CD by Kathleen Nesbitt. I'm thinking of buying it but before I splash out I'd quite like to know what's on the CD. And a few opinions about it! Thanks.

**Kathleen Nesbitt, Irish Fiddle Tutor on The Session**

This book explains and shows in detail the various techniques used by fiddle players in creating a traditional style of playing. All the information is presented in the context of the music itself, with numerous transcribed and recorded examples.

The Irish Fiddle Book (CD Edition) & the real PLUS, the reason I'm smiling as I recommend this, yet again, is the accompanying CD. The CD is made up of most of the tracks from two recordings that were produced to accompany "The Fiddle Book". They are "Take a Bow" OSS CD 5 & "Give it Shtick" OSS CD 6, Ossian Publications, 1988/1992; Take a Bow ...

**The Irish Fiddle Book: Amazon.co.uk: Cranitch, Matt: Books**

The book also attempts to convey something of the excitement felt in playing music which has a large degree of improvisation, albeit within certain bounds. The demonstration CD, which features a large selection of the transcribed tunes and ornaments performed by Cranitch, is an invaluable aid to learning as it allows the listener to hear how the music and ornamentation should sound.
