The Great Depression, which began in the United States in 1929 and spread worldwide, was the longest and most severe economic downturn in modern history. It was marked by steep declines in industrial production and in prices (deflation), mass unemployment, banking panics, and sharp increases in rates of poverty and homelessness.

~~Great Depression | Definition, History, Dates, Causes ...~~

The Great Depression was a severe worldwide economic depression that took place mostly during the 1930s, beginning in the United States. The timing of the Great Depression varied across the world; in most countries, it started in 1929 and lasted until the late 1930s. It was the longest, deepest, and most widespread depression of the 20th century.

Read PDF Understanding The Great Depression And The Modern Business Cycle

The impact of the global lockdown following the spread of Coronavirus has resulted in a global recession which some economists think may rival the dreaded Great Depression of the 1930s. If you don't understand what the Depression was and why it's still so feared, this article which also contains a handy video is for you.

~~Understanding the Great Depression—Bodhiroom—~~

The Great Depression was a time for striking out a new path if the old one turned up short. While some stories are less successful than others, such as Paul Satko's journey up to Alaska in a wooden ark, the lesson remains: don't be afraid to go where the opportunity is, rather than waiting for it to come to you.

~~Understanding the Great Depression: Lessons Learned From ...~~

The Great Depression was the most severe recession in American History. When the stock market crashed in September of 1929, the impact was worldwide. Banks had no insurance on the money that people had deposited so everyone lost their money. Although The Great Depression had an impact on people worldwide, African Americans were affected the most.

~~Understanding the Great Depression | Homework Handlers~~

Analyzing the Causes of the Great Depression. America had gone through hard times before: a bank panic and depression in the early 1820s, other economic hard times in the late 1830s, the mid-1870s, and the early and mid-1890s. But never did it suffer an economic illness so deep and so long as the Great Depression of the 1930s.

~~Analyzing the Causes of the Great Depression—dummies~~

Depression is a low mood that lasts for a long time, and affects your everyday life. In its mildest form, depression can mean just being in low spirits. It doesn't stop you leading your normal life but makes everything harder to do and seem less worthwhile. At its most severe, depression can be life-threatening because it can make you feel suicidal.
